

Assistive Access planning sheet

Whose phone: _____ Date: _____ iPhone model / iOS version: _____

Before you start

☐ Subscriptions reviewed; unwanted ones cancelled ☐ Untrusted apps deleted ☐ Refund requested, if needed ☐ iOS updated
☐ Trusted phone number I can answer ☐ Recovery Contact added ☐ Pharmacy, clinic, and neighbors saved in Contacts

Keep private: account and passcodes

Apple Account email · Device passcode · Assistive Access passcode · Recovery Apple Account · Screen Time passcode, if used

Apps to include

Start small. Calls, Messages, Camera, Photos, Music, Magnifier, and Apple TV have simplified designs; other apps appear in their normal form.

Who they can call and text

Calls: receive from / make to / anyone · all contacts · favorites only Messages: same choice. Favorites to add:

Options chosen

☐ Grid ☐ Rows ☐ Missed-call badges ☐ Recents & voicemail ☐ Keypad ☐ Speaker Messages: ☐ Keyboard ☐ Emoji ☐ Video selfie ☐ Tap to hear
☐ Siri allowed ☐ Battery shown ☐ Time & date shown ☐ Wallpaper chosen with them

Things that need a plan

Medication reminders · portal messages · telehealth · bank · anything they would miss

Two-week check

☐ Can call me back ☐ Knows the Back button ☐ Nothing important missing ☐ Ringer behaves
☐ Nobody important blocked ☐ I tested exit and re-entry ☐ Subscriptions re-checked

This sheet is a planning aid. Apple's menus change between iOS versions; follow what you see on the phone.
